HELLO PARENTS & JR. HIGH STUDENTS!

Youth volunteers fill a critical role at Vacation Bible Camp. They are great role models for the children and tremendous help to the adult leaders. VBC would not be the same without them. There are a few things that we want you to understand about being a Counselor-in-Training.

As a CIT, you will become a leader. You will be a good example for the campers. Your enthusiastic participation, maturity, and responsible attitude will set the tone for the week. To help you achieve these goals, you will be assigned a high school mentor as well as an adult mentor.

It is important for you to realize that *though you are not an adult, we expect you to act more like an adult than a child*. You will be expected to fulfill your job without constant supervision. You will be willing to help the adults in charge of you meet VBC needs, however you're needed. You will want the children around you to learn a lot and have a great time, and that will be your top priority.

For the job of a CIT, we ask you, parents and student, to consider the following questions . . .

- **Does the student have a sincere desire to help children know more about Jesus?**
- **Does the student desire to serve (give to) more than be served (get from) the program?**
- **Can the student handle and be entrusted with a 4-hour stretch of independence; doing what is expected of him/her without adult intervention for correction?**
- **Does the student have the maturity to rise above immature behavior going on around him/her and to set a good example or help correct a difficult situation--not be a part of it?**
- **Will the student be *On Time and Ready to Participate* each day that he/she is scheduled to help?**

If this is the right fit for the student's personality, talents, and readiness to take on responsibility, please join us in this ministry! We hope you have a lot of fun at VBC, and join in all the high-energy worship, games, and music. There will be snacks to enjoy during your breaks.
